Applicant's Docket No. NSD 2003-006

Honorable Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

RULE 146 REQUIREMENT FOR ELECTION OF SPECIES

In a communication mailed pursuant to 35 USC 121, the Examiner required the Applicants to elect one of two disclosed species, i.e., either the embodiment of Figures 1-3 or the embodiment of Figure 4, for continued prosecution on the merits. A shortened period for response was set to expire one (1) month from the mailing date of the Examiner's communication.

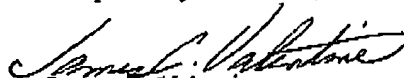

In response thereto, the Applicants hereby elect the embodiment of Figures 1-3. Originally presented Claims 1-6 and 9 read on this species.

The Applicants respectfully request that the requirement be reconsidered. The Applicants submit that an examination of the two species in the prosecution of one application will not require substantially more time and resources than will an examination of one species of the invention.

The Commissioner is authorized to charge any additional fees required by 37 CFR 1.16 or 37

CFR 1.17 as a result of this Response to Deposit Account No. 50-0947.

Respectfully submitted,

James C. Valentine
